Delighted to report that our members are generally very pleased and supportive of our efforts: Here are a few comments from the responses -

"Keep on as present, and thanks for the help."

"You are doing a great job. Many thanks."

"I am getting regular traffic from Embrace (in my top 10 referrers) and some bookings. It is a significant part of my membership."

Unfortunately it is beyond our ability to 'oppose Brexit' or 'improve broadband' but we do feed survey results in full to the Scottish Tourism Alliance and they are very aware of the challenges posed by both issues.
