Are you rented all year?

There are usually certain times of the year where you could fill your property three times over. Each inquiry you receive has cost you in advertising one way or another!

There's an alternative way to turn them into extra cash. myrentals will pay YOU for each inquiry that you can't fill*.

The myrentals difference

As a property owner you benefit in unique ways when listing with us.

Our Calendizer™ will eliminate the need to check multiple sites and calendars. So you can always trust that inquiries we send you are relevant for available dates in your calendar.

Zero Hassle Benefits

Stand out better in your local market

Free to list your properties

Earn an additional income stream with our Full Calendar Bonus™

Access full inquiry history bookings & revenue statement

No more double bookings with our Calendizer™

Interact with customer reviews

Stay relevant on social media and connect with new customers with our Social Connector.™ Create a myrentals profile & connect your social media accounts, post your news/stories on our site and our system will update all of your social accounts.

Bringing More Business

Our holiday makers search and book the following types of rentals:

Condos, apartments, villas, townhouse, homes of all sizes.

Quality B&B's, inns, resorts and guest houses.

Boutique hotels (not chains)

You get the expertise and marketing power of an international business with support through myrentals, whilst also benefitting from a website totally focused on Scotland. myrentals is..

..uniquely local.
