SELF CATERING & HOLIDAY LET

Relax, you're covered

Bruce Stevenson Insurance Brokers has created a bespoke Self Catering & Holiday Let policy and we are now providing insurance across Scotland and the North of England.

Key features of the contract are:

- Accidental damage as standard
- Liability to paying guests and to any employees
- Loss of income following damage to the property
- Theft or attempted theft by guests
- Malicious damage, including damage by guests
- Great cover at a competitive price

Due to our long-established relationships with insurers we have been given Delegated Authority which enables us to issue documentation promptly and efficiently.

We are one of only a few brokers who have a dedicated in-house claims team, offering expertise and exceptional customer service when dealing with claims.

As part of our commitment to the hospitality and tourism industry in Scotland we are proud sponsors of HIT Scotland, the STA and members of Scotland's Food & Drink.
