

CALEDONIA PLAY

**Scotland's leading supplier of high quality
outdoor timber play equipment and furniture**

Let us help you develop your outdoor space

We pride ourselves as the leading supplier in Scotland of high quality outdoor, timber play equipment and furniture.

Whatever the age of your guests, they will welcome the provision of some form of leisure activity 'on site'. Whether a simple Sandpit for the younger generation, a Basket Swing to be used by the whole family or a Picnic Bench for alfresco meals. We can advise on the best options for your individual location and to meet current safety standards, incorporate individual ideas and offer a wide range of solutions to create the perfect outdoor space.

Complete design and installation service

Long lasting and low maintenance

Option for supply only

Conforms to European Safety standard EN1176

**All installations are carried out in accordance with
Association of Playground Industries (API) guidelines**
