

Sherlock Hounds Photography

Scottish Holiday Houses

Petals and Pixels

After 20 years in the self-catering industry Antony Sherlock has set-up a number of websites to cater for the varied aspects of the work that is now on offer and these include...

Sherlock Hounds Photography – is a portal for photography that covers holiday houses to hapless hounds and everything else in-between.

www.sherlockhoundsphotography.co.uk

Scottish Holiday Houses – was initially set-up for inspection work but soon became the focus for further photography predominantly of holiday houses and with a renewed emphasis on aerial photography.

Sherlock Hounds Photography

Scottish Holiday Houses

Petals and Pixels

Petals and Pixels – is a two-part project, with the first part being floristry by Deborah Sherlock and the second part being photography, specifically for the wedding market in the Scottish Borders.

www.petalsandpixels.co.uk

Antony Sherlock trading as Scottish Holiday Houses is a qualified CAA (Civil Aviation Authority) approved drone pilot with the required PfCO (Permission for Commercial Operations) with drone insurance currently set at £1,000,000.

Deborah Sherlock studied professional floristry design and attended the Scottish Agricultural College studying Horticulture. Today she grows her own cut flowers to order.

For quotes for any business, be it aerial photography, photography of houses inside and out, wedding photography, family portraits, pet pictures or have flowers at your wedding, please contact us at the advertised websites and as below.....
