It's simple. We can improve the visibility of your short-term rental properties and get you more bookings.

Here's how:

## VISIBILITY ON 30+ TOP MARKETING CHANNELS

Reach millions of guests. We'll distribute your listing on all the best booking websites including the big six: Airbnb, Booking.com, Expedia, HomeAway, TripAdvisor and TUI.

## SINGLE CALENDAR

Say goodbye to calendar headaches and double bookings. The TravelNest calendar is the only one you'll need to manage availability and bookings across multiple channels.

## SINGLE PROPERTY PROFILE

All your property information, in one place. No more worrying about maintaining lots of listings. Make updates and see them applied across your channels.

## BOOKINGS HUB

Your one-stop-shop for bookings management. See and report on all your bookings quickly and easily. Saving you time and minimising bookings admin.

## PROPERTY CREATION FLOW

Our guided property creation flow makes it quick and easy to add a property to TravelNest and prompts you to add the right information. It's property marketing - made simple.

## PROPERTY MARKETING EXPERTISE

Our software takes the guesswork out of marketing your property. We'll help you create great listings that outperform the competition. It's expertise in your pocket.
